SUPPLEMENT TO
REPORT NO. 25X1X 9X

1. Minister: A member of the Central Committee of the Yugoslav Communist Party.
2. Deputy Minister for the Plan: A Communist with excellent recommendations or an unusually able expert who is a candidate for membership in the Communist Party and is closely supervised.
3. Deputy Minister for Cadre Policy and Head of the Financial Department: Only a veteran Communist from the working class can qualify for these positions.
4. Deputy Minister for Building Operations: A Communist or professional engineer.
5. Deputy Minister of Manufacturing Operations: A veteran Communist. If the candidate for this position has been employed in light industry, he should be a worker. During the initial period of Communist regime, the position of Deputy Minister was held by non-Communists but since the introduction of the Five-Year Plan, this position has been given only to Communists.
6. Council of Experts: A professional group of about 10 prominent experts from all technical fields. Some of this group are permanent members of the council, others are sent to various factories/consultants. Membership in the Communist Party is not obligatory, but the council members are under Party supervision.
7. Secretariate: A Communist.
8. Financial Department of the Plan: Chief, a Communist; three section chiefs; three specialists (referenti), and typists.
